BRKWCVH

PLEASE NOTE THAT DUE TO THE RISK OF OVERHEATING,
THIS IS NOT TO BE USED IN CONJUNCTION WITH A PHONE CASE
CONTAINING A MAGNETIC PLATE!

Contents:

1. Fitting Instructions.

Before first use, please read this guide carefully.

To assemble the holder, put the locking nut over the ball joint and push the ball joint into the back of the holder then tighten the locking nut. Place vent clamp on the fin of the air vent and tighten the clamp adjustment to ensure that the holder is secured firmly. Do not over tighten as you may damage the air vent.

- This 2-in-1 holder and wireless charger is compatible with Qi Wireless Mobile phones. Whilst in the holder, your compatible mobile phone will automatically charge.
- If you have a protective case on your Qi Wireless mobile phone you can still charge with the case on, provided the case does not have metallic studs, a magnetic clasp, does not contain a magnetic plate and does not create distance between the charging pad and the back of the phone greater than 4mm.
- For optimum charging, place your mobile phone in the centre of the charging pad.
- To see your phone's charging status, check the LED on the charger.

1

Protection

- Over voltage protection.
- Over current protection.
- Over temperature protection.

Precautions

- Medical implants - Please maintain a minimum of 20cm safe distance between the Wireless Charging holder (when powered ON) and any medical implants that can be affected by a magnetic field, such as pacemakers.
- Do not immerse in liquid.
- Do not place a magnet or any magnetically sensitive devices such as credit cards on the charging pad.
- Do not obstruct the drivers view and maintain full control of the vehicle at all times.
- Please keep away from children, this is not a toy.

PLEASE NOTE: This holder charger does not come with an in-car USB adaptor. Only a charging cable is provided.

Specification:

Input Voltage/Current:	5V/2A
Output Voltage/Current :	5V/1A
Maximum Charging Distance:	4mm
Efficiency:	73%
Frequency:	112-205KHz
Charging Method:	Magnetic Induction
Status Indicator:	LED
Device Width:	Up to 11cm
Holder Type:	Clamp Style
Rotation:	360°
Placement:	Air Vent

Contents:

- 1 x Holder Charger
- 1 x USB Cable
- 1 x User Manual

 If at any time in the future you should need to dispose of this product, please note that electrical goods should not be disposed of with household waste.
